Focusing on Spanish culture and society in the second half of the Twentieth century, *Despotic Bodies and Transgressive Bodies* traverses a variety of disciplines: literature, film studies, cultural studies, feminist theory, and history, to examine crucial moments of cultural transition. Beginning with an analysis of the period of autarky -- Spain's economic, cultural, and ideological isolation under Francisco Franco's regime -- Pavlovic then explores the tumultuous passage to capitalism in the late 1950s and 1960s. She follows this by revisiting the complex political situation following Franco's death and points out the difficulties in Spain's transition from dictatorship to democracy.
