装帧:Paperback

isbn:9781582430799

This monumental collection gathers essays, travel journals, letters, poems, and translations from one of the most influential literary voices of the twentieth century. Gary Snyder has been a major cultural force in America for five decades—prize-winning poet, environmental activist, Zen Buddhist, and reluctant counterculture guru. Having expanded far beyond the Beat poems that first brought his work into the public eye, Snyder has produced a wide-ranging body of work that encompasses his fluency in Eastern literature and culture, his commitment to the environment, and his concepts of humanity's place in the cosmos. The *Gary Snyder Reader* showcases the panoramic range of his literary vision in a single-volume survey that will appeal to students and general readers alike.
