Vintage Youth is a limited edition gift pack which consists of beautifully designed separate volumes of "Oliver Twist" by Charles Dickens and Irvine Welsh's controversial bestseller "Trainspotting." "Vintage Youth" is just one of ten "Vintage Classic Twins" to collect. Each twin consists of two books: a specially designed limited edition of one modern classic title and one established classic work. The books in each pair have been carefully selected to provide a thought-provoking combination. "Oliver Twist": Oliver is an orphan living on the dangerous London streets with no one but himself to rely on. Fleeing from poverty and hardship, he falls in with a criminal street gang who will not let him go. Dickens graphically conjures up the capital's underworld, full of prostitutes, thieves and lost and homeless children, and gives a voice to the disadvantaged and abused. "Trainspotting": Choose us. Choose life. Choose mortgage

payments; choose washing machines; choose cars; choose sitting oan a couch watching mind-numbing and spirit-crushing game shows, stuffing fuckin junk food into your mouth; choose rotting away, pishing and shiteing yersel in a home, a total fuckin embarrassment tae the selfish, fucked-up brats ye ve produced. Choose life.
