Four years after the Chmielnicki massacres of the seventeenth century, Jacob, a slave and cowherd in a Polish village high in the mountains, falls in love with Wanda, his master's daughter. Even after he is ransomed, he finds he can't live without her, and the two escape together to a distant Jewish community. Racked by his consciousness of sin in taking a Gentile wife and by the difficulties of concealing her identity, Jacob nonetheless stands firm as the violence of the era threatens to destroy the ill-fated couple.

献给有宗教信仰的人.the slave:physical,psychological,physichological.摘一句:perhaps 4000 years would again pass;somewhere, at another river, another Jacob would walk mourning another Rachel. Or who knew, perhaps it was always the same Jacob and the same Rachel.
