<P style="MARGIN: 0px">For introductory-level survey courses in Western Civilization and European History and Civilization; or a supplemental text in Art History or other

basic cultural history survey courses.

This highly visual brief survey of Western civilization provides an exceptionally balanced survey of the political, social, and cultural development of Western civilization-its strengths and weaknesses, and the controversies surrounding it. The Teaching & Learning Classroom edition of the highly successful The Western Heritage, Ninth Edition provides your students with the most help available in reading, thinking, and applying the material they are learning in the text and in lecture. A series of pedagogical aids, in text and out of class study companions, as well as complete instructor presentational and assessment support makes this text the perfect choice for those looking to make history come alive for their students.
