Don't spend your time wading through manuals to learn PHP 5. Spend it doing what you do best - creating web pages! With "PHP 5 Fast & Easy Web Development" you can get up and running with PHP 5, Apache, and MySQL with ease. By the time you're finished, you'll be able to display dynamic content, build your own contact

management system, create custom reports, work with XML, and much more. Less time, less effort, more results!
