isbn:9780521685139

The Art of the Argument guides readers through the process of developing, defending and presenting a compelling argument. Primarily aimed at students who are about to undertake or participate in an international mooting competition, The Art of the Argument explains in a step-by-step process what to do when you first get the moot problem, how to begin researching the subject matter, the emotional highs and lows, why practice makes perfect, how to handle yourself at the competition, and most importantly to have fun.
