

# The 1000 Journals Project

[The 1000 Journals Project 下载链接1](#)

著者:Someguy (Author)

出版者:Chronicle Books

出版时间:March 8, 2007

装帧:Hardcover

isbn:9780811858564

A 'best of' collection of pages from the 1000 Journals Project, where 1000 blank journals were randomly circulated for people to draw, paint, collage, and otherwise fill the pages of the journals. The journals have reached all 50 states and 35 countries, drawing on a broad demographic of people, cultures, and perspectives. This is artistic journaling for the common man, where people were able to express themselves without reservations about their artistic expertise and run the gamut of simple sketches to complex embroidery and collage.

**评论**

上学时，美院书摊十元入手

-----  
充满了灵感!!!!

-----  
想起来高中班里有个留言册，一直在传递，里面记录了每个人的话。座右铭、严肃的、随意的交谈、耍宝、打趣，还有涂鸦，最后变得很棒，超有纪念意义，我们还扫描发给了每个人。

-----  
开篇介绍的文字很优美，后面的画册2分钟就看完了。。。所有四颗星星都给这个有趣的project，去掉一星是因为送这本书给我的人太不懂我的喜好了哈哈

-----  
书的开头一句话：This book is dedicated to everyone who's ever said, "I'm not creative."

很有趣的project，将1000本空白的journals随意发出，让人在上面创作，然后选了好的创作编成的书。

-----  
声色光影原版艺术书店

-----  
「1000本空白的journals随意发出，让人创作，选好的编书」，好玩。且看着看着有种偷窥他人日记，隐秘而又刺激的快感。

-----  
这是一本关于一本小册子旅行的书 很有意义 油漆对于学习绘画的人来说

-----
