看完真是白眼都已经翻上天了。不停强调这是个爱情故事，自己多爱Nichole，却把Nichole描述成一个自私脆弱歇斯底里愤怒离开他就活不了的作女，而他是有些瑕疵却更显完美的丈夫呵呵哒。【所看版本没有收录代笔所写章节与版权之争，很遗憾……

把书名《IF I DID

IT》里的字母“IF”缩小放进字母“I”里，太讽刺了！（只有你自己觉得是“IF”）

After the documentary, the tv drama and now the book, we've heard every side of the story, yet it's more confusing than ever. While part of me know he is the killer, something is still off about the relationship and the man. Should have left after the first date.

Other than the chapter describing the murder, the whole book is bs. Instead of the cheating wife beater, Simpson portrayed himself as the generous, loving husband and father, who is concerned about his angry, insecure, drug using ex-wife.

书里包括了ghost write的自述和有关本书版权争端的介绍，这两个章节非常宝贵，Simpson的自述更可以看出他是一个非常冷血、虚伪的人。

要听不下去了...大热天看房路上听的，越听越气..受害者goldman family讨债追回的这本书的版权，多少读者不会买OJ的账。作为前法律人，oj is guilt! !

看了十页就想说渣男。在前妻孕期出轨。所以要带眼识人，对前妻这么渣都人也敢嫁，最终付出了命丧黄泉的代价。

美国真是个自由到让正义和邪恶都能顽强生存的地方
