Prosperous and socially prominent, George Babbitt appears to have everything. But when a personal crisis forces the middle-aged real estate agent to reexamine his life, Babbitt mounts a rebellion that jeopardizes everything he values. Widely considered Sinclair Lewis' greatest novel, this satire remains an ever-relevant tale of an individual caught in the machinery of modern life.

书评

The novel behind the name, Babbitt is Sinclair Lewis’ s classic commentary on middle-class society. George Follanbee Babbitt has acquired everything required to fit neatly into the mold of social expectation—except total comfort with it. Distracted by the ...
