A stellar assymby of many of today's most creative and accomplished storytellers has gathered around the tribal fire to embroider well-worn yearns with new golden thread. BLACK SWAN, WHITE RAVEN revisits the tales that charmed, enthralled and terrified us in our early youth--carrying us aloft into the healthy, beating heart of cherished myth to tell once again the stories of Rumpelstiltskins and sleeping beauties, only this time from an edgy, provocative and distinctly adult perspective. The themes and archetypes of our beloved childhood fiction are reexamined in a darker light by twenty-one superb teller of tales who deftly uncover the ironic, the outrageous, the enigmatic and the erotic at the core of the world's best-known fables, while revealing the sobering truths and lies behind "happily ever after."
