MARY LIVED IN A BIG HOUSE with a very little mouse. The mouse lived in a little house inside of a very big house, with Mary.

Even though Mary has been warned to stay away from mice - and Mouse has been warned to steer clear of people - the two can't help but peek at one another. Side by side, they grow up, go to college, get married, and have children of their own - Maria and MouseMouse. And then one day, Maria and MouseMouse do something surprising. . . something their parents never did. They actually come nose-to-nose and speak to one another!
