## 评论

虽然又有点觉得西方人是不是把道教的东西解读过度了。

-----  
A practical guide about self-integration. Combination of Buddhism and Taoism. Since person is pulled through moment and constantly loosing light, rushing from one thing to another, the religion is about the back flowing and circulation of the light, through which we can create a center and form a spiritual body.  
道/阴阳/性命/魂魄/鬼神/眼观鼻/archetype。 太妙了。
