Bestselling writer Orson Scott Card founded the online magazine "The InterGalactic Medicine Show" in 2006. It's been a big success, drawing submissions from well-known SF and fantasy writers, as well as fostering some amazing new talents. This collection contains some of the magazine's best stories from the past year. There is fiction from David Farber, Tim Pratt, and David Lubar among others, plus four new Ender's Game universe stories by Card himself. This collection is sure to appeal to Card's fans, and be a great ambassador to them for these other talented writers.
