The new edition of this well-established textbook continues to provide a comprehensive introduction to the history, structure, institutions, and policies of the American political system. Completely revised and updated throughout, the 7th edition contains entirely new material on:

* the 2000 Presidential election and George W. Bush's Presidency

* the September 11th attacks and the 'war on terrorism'

* the 2002 midterm elections

* more coverage of such controversial issues as abortion, pressure groups and gun control

The book contains excellent pedagogy throughout including a variety of useful tables and diagrams, suggestions for further reading and relevant websites and a glossary of key terms. Written with admirable clarity, this new edition is the ideal textbook for students of American politics and society.
