装帧:Hardcover

isbn:9780698400535

When a little girl in a red cap puts her picnic basket over her arm and sets off through the woods to grandmother's house, one of the best-loved fairy tales of all time unfolds. Lisbeth Zwerger has brought the full range of her highly acclaimed talents to the illustrations in her version of Little Red-Cap, which was named a New York Times Best Illustrated Book in 1983. No little girl has ever been so winsome and naughty, no wolf so beguiling, no huntsman so valiant and so brave. This wonderfully welcome reissue of this timeless story is sure to be enjoyed by children, by the adults who read to them, and by all who love and appreciate beautiful books.
