Cope with legal, financial, and medical issues

Minimize anxiety and stress and make the later years golden

Need help caring for an elderly loved one? This sensitive, reassuring guide provides strategies for assessing older persons' needs, arranging for care, ensuring their safety, and enhancing quality of life - all while respecting their dignity. You'll see how to manage physical disabilities and chronic health problems, evaluate nursing homes, and help elders control their destinies.

The Dummies Way **UL>Explanations in plain English"Get in, get out" informationIcons and other navigational aidsTear-out cheat sheetTop ten listsA dash of humor and fun**
