The hysterical novel "Love or Money" explores Blaine Sombrafield's struggles with making her ends meet as a receptionist when her Prada and Gucci addicted friends convince her to make fast money at night. As soon as she gets comfortable with the idea of being a lady of leisure, she meets the sweet sexy Hotel doorman Alex Druid. Growing up in Chicago's notorious Cabrini Green projects, she vowed to do whatever it took to never return to that lifestyle again. Her bougeis and ruthless best friend Darlene Mansard tries to persuade Blaine to lose the loser boyfriend by exposing her to the goodlife of designer clothes, fancy foods, sky homes, limos, and parties with high rollers. Which will she choose Love or Money?
