Hugh Johnson has won a legion of fans with his keen ability to make the sometimes complex topic of wine wonderfully lucid—and every year, his popular pocket guide is a bestseller. That makes it number one in the market. Here, in it's 30th anniversary year, he has completely revised and updated this classic, offering more current news than ever on over 6,000 wines, growers, and regions, along with up-to-the-minute vintage information, recommended wines (including budget options), and star ratings. With this book in hand, wine lovers won't need anything else to help them select anything from a bottle for an everyday dinner to a prestige vintage for investment. A new section showcases Johnson's special, personal choices, and there are plenty of quick-reference maps, charts, and fact boxes for a little extra guidance.
