Here are 100 classic, salon-quality styles that any non-professional can handle, all shown with full-colour photographs that detail every step, as well as information on essential supplies and basic techniques. There are "dos" for any length, mood, and occasion, from a night out at the hottest club to the fanciest wedding. Select from elegant chignons, waterfalls of curls that cascade down your back, or loose, playful

tendrils that frame the face. Some have jewel or flower adornments, while others feature braids, twists, and hair weaves.
