If only Meg hadn't moved away. then maybe eleven-year-old Wendy wouldn't be so upset about the other things going on in her life. Like her mother's marriage, and the new stepfamily that came with it. If only Wendy could find someone else like Meg to be her best friends--always and forever.

"Shows remarkable understanding of what makes friendship come...like a gift...and has a satisfying realistic ending"

-----Publishers Weekly

作者介绍:

C.s. ADLER has written some of her twenty-eight published books for children and young adults in Wellfleet, Massachusetts, where she spends summers walking the beaches and working the computer.

Many of Adler's books have also been published in Japan, Germany, England, Denmark, and Australia.
