A collection of stories for wise young people and immature old people, written by favorites of all ages: Nick Hornby ( *High Fidelity*, *About a Boy* ), John Scieszka ( *The Stinky Cheese Man* ), Neil Gaiman ( *The Sandman*, *American Gods* ), and many others. Each story features color illustrations by a different artist, including Barry Blitt, Marcel Dzama, and Lane Smith. Lemony Snicket adds an introduction and a story of his own—at least, he starts one, and then it is up to the reader to finish. The story appears on the inside of the dust jacket; you add your own thrilling, joyful, or disgusting ending. The jacket then folds up into a fancy envelope, addressed to us. Our favorite ending will receive a fabulous prize of some sort.
