作者介绍:

John Baillie CH (1886-1960) was a Scottish theologian, a Church of Scotland minister and brother of theologian Donald Macpherson Baillie.

Raised in the Calvinist tradition, Baillie studied at Edinburgh University, Jena and Marburg, and then taught in Canada and the United States. He was professor at Edinburgh University for twenty years. He was Moderator of the General Assembly of the Church of Scotland in 1943.

Baillie wrote A Diary of Private Prayer (1936), regarded as a devotional classic. But his most important contribution to theology was an exploration of the relationship between the knowledge of God to spiritual and moral experience
