Dark and desperate humour...one of America's best slapstick satirists' city limits.

This comic novel about an Englishman lost in the surreal high-tech computer country of America's mid-west describes how the hero Fred Jones goes to America to seek his fortune and ends up with his private life out of control, working for the KGB and people wanting to murder him.

作者介绍:

John Sladek was born in America in 1937 but moved to the UK in 1966, where he became involved with the British New Wave movement. He began writing sf with 'The Happy Breed' which appeared in Dangerous Visions in 1967. He is now recognized as one of the most brilliant satirists of our time. His novels and short story collections include The Muller Fokker Effect, Tik Tok, Roderick and The Lunatics of Terra. He moved back to Minneapolis in the mid 1980s, where he died in March 2000.
