Book Description

The ultimate work of historical reference From cavemen to the Cold War, from

Alexander the Great to global warming, from warfare through the ages to the great voyages of exploration, The Times Complete History of the World is the book that has all the answers, the detail and the authoritative text in one breathtaking single historical source. With over 600 full-colour maps and charts on a wide range of historical subjects and representing the work of a team of professional historians, this new edition continues a tradition of nearly thirty years of excellence, style, authority and cutting-edge design. This edition is internet-linked, permitting further in-depth exploration of key subjects. With fully up-to-date text, including material on Iraq and Afghanistan, terrorism, Israel and the EU, this book, edited by leading modern historian Professor Richard Overy, is broad-ranging and more visually enticing than ever.
