

CIRCUMFERENCE Issue 5

[CIRCUMFERENCE Issue 5 下载链接1](#)

著者:Stefania Heim (Editor)

出版者:(Sponsored by) New York Foundation for the Arts

出版时间:Autumn/Winter 2006-2007

装帧:Paperback

isbn:9780974386348

CIRCUMFERENCE is devoted to presenting translations of new work being written around the globe, new visions of classical poems, and translations of foreign language poets of the past who have fallen under the radar of American readers.

We are especially excited to show translation as the vibrant, necessary interaction that

it is.

A biannual publication, prints all poems in the original language side-by-side with their English translations.
