著者:Gary Lutz

出版者:Future Tense Books

出版时间:June 19, 2007

装帧:

isbn:9781892061317

One would call these lives adrift except that would suggest they once were safely moored and docked... In each of these stories, the lonely anonymity of a narrator's misfit existence vies with the glorious singularity of his or her discourse to offer a marvelous, raw tension. --Brian Evenson

作者介绍:

Gary Lutz is the best writer you've never heard of. To certain stylists, he's a kind of

prose god. Lutz belongs to a category of sentence geniuses that includes Ben Marcus, Aleksandar Hemon, and David Foster Wallace. --Christopher Frizzelle, The Stranger
