With The Dream Seer: Explore what is possibly the largest individual collection of predictive and telepathic dreams ever published. Read analysis, interpretation, and verification of these powerful dreams. Realize the importance of the individual dreamer's history and symbology. Experience first hand real life dreams that correctly predicted stock market moves, political events, family deaths, health concerns; and, provided spiritual insights, and telepathic connections with friends and family. Learn how to recognize precognitive and telepathic information. Increase self-awareness, spiritual development and inner guidance. Witness the superconscious connection in instructive and spiritual dreams. See how a series of dreams can come in progression on a single topic. Develop balance and perspective in applying these special dreams. Enjoy a practical, well-organized presentation that simplifies use. Use as a resource to study precognitive, telepathic, and instructive dreams. Apply this information to your own dream process.
