装帧:Paperback

isbn:9781906155032

To read Ace Records is to explore the history of modern music and to discover the stories of the people that made it. Visually stunning and hugely entertaining, the book chronicles this fascinating label and profiles a diverse range of artists including BB King, John Fahey, Lee Hazlewood and Art Blakey & The Jazz Messengers.

From humble beginnings at a London market stall, Ace Records has gone on to change the face of popular music. Now the world's foremost blues, rockabilly, soul and rock 'n' roll reissue label, Ace Records has been responsible for unearthing lost classics and neglected pioneers for over three decades.

Ace Records has traveled far and wide resurrecting the forgotten giants of the American music scene. From the earliest pre-war blues and Cajun recordings made in the Deep South, to the explosion of rock 'n' roll, to the soaring soul sounds of the 1960s and 70s, the label has rescued a rich cultural legacy and preserved this music for generations to come.
