Reveals how the Japanese media have dangerously overstepped their boundaries and distorted-even wiped out-honest news in favour of government propaganda. And worse, Japanese citizens are frequently persecuted and threatened by the very institution they turn to for truth.

作者介绍:

About the Author

Adam Gamble is a writer and investigative reporter, and the author of *In the Footsteps of Thoreau*. He has served as publisher at On Cape Publications in Massachusetts since 1995, where he has produced some two-dozen books. During the three years of research that went into *A Public Betrayed*, he personally interviewed more than 150 individuals.

Takesato Watanabe is a professor of media ethics at Doshisha University in Kyoto and was a visiting scholar at Harvard University in 2001. He is the author of a dozen Japanese-language books, including *Information Democracy and the People's Right to Communicate* (2000). He is coauthor of the *Encyclopedia of Media & Communication Studies* (1999). His next book, *The Media and Power Structure in Modern Japan, 1945-2000*, will be published in English in 2005 through Harvard University's East Asia Monograph Series.

Ellis S. Krauss is a professor of Japanese politics and policymaking at the Graduate School of International Relations and Pacific Studies at the University of California, San Diego. He is the author of *Broadcasting Politics in Japan* and the coeditor of *Beyond Bilateralism: U.S.-Japan Relations in the New Asia-Pacific* and of *Media and Politics in Japan*.
