Comprehensive French III includes 30 additional lessons (16 hrs.), plus Readings, which build upon the language skills acquired in Levels I and II. Increased spoken and reading language ability.

Level III will increase your vocabulary and grammatical structures and triple your spoken proficiency. Upon completion of a level III, you will be able to:

- * participate in most informal and some formal discussions on practical, social, and some semi-professional topics,
- * form longer sentences while maintaining the target language syntax,
- * be understood even by native speakers unused to dealing with foreigners,
- * handle increasingly difficult grammatical structures,
- * enjoy fluent conversations with a variety of strangers,
- * have a near-native accent, and the subtleties of the language will be apparent in your speech,
- * read at the same level at which you speak.

Note: In order for the Pimsleur Method to work correctly, you must first complete the Level I + II language programs before proceeding to the Level III language program.

音频洗脑大法。至少就听说而言，一个多月听这三十课似乎比之前学过几年有用。
