In this deliciously seductive account of an Italian neighborhood with a statue of the Virgin at one end of the street, a derelict bottle factory at the other, and a wealth of exotic flora and fauna in between, acclaimed novelist Tim Parks celebrates ten years of living with his wife, Rita, in Verona, Italy. More than a travel book, *Italian Neighbors* is a sparkling, witty, beautifully observed tale of how the most curious people and places gradually assume the familiarity of home. Selected as a New York Times Notable Book of the Year, *Italian Neighbors* is a rare work that manages to be both a portrait and an invitation for everyone who has ever dreamed about Italy.
