Today I feel silly. Mom says it's the heat. I put rouge on the cat and gloves on my feet. I ate noodles for breakfast and pancakes at night. I dressed like a star and was quite a sight. Today I am sad, my mood's heavy and gray. There's a frown on my face and it's been there all day. My best friend and I had a really big fight. She said that I tattled and I know that she's right. Silly, cranky, excited, or sad--everyone has moods that can change each day. Jamie Lee Curtis's zany and touching verse, paired with Laura Cornell's whimsical and original illustrations, helps kids explore, identify, and, even have fun with their ever-changing moods. Here's another inspired picture book from the bestselling author-illustrator team of "Tell Me Again About the Night I Was Born" and "When I Was Little: A Four-Year-Old's Memoir of Her Youth."

不错的一本书。教会孩子各种心情都是正常的。记得不是很清楚一句原文, 大概是, whatever I feel inside is okay!

"Today I am quiet, my mom understands.....I cried just a little and then felt all right"

A fantastic book that teaches kids all kinds of moods and how to express their moods.
