Live by these laws and you and your money will stay out of trouble. Break them and you won't. In her fourth consecutive runaway New York Times bestseller, America's most trusted personal finance expert, Suze Orman, reveals the 5 Laws of Money that apply to everyone. Whether you are young or old, whether you have put away a nice nest egg or you are in serious credit card debt, if you care about your money and your life, then you have got to know these 5 Laws of Money. Are you breaking the 5 Laws of Money? Do you go out to eat afraid that your credit card will be declined? If so, you are breaking Law Number 1. Are you always looking at your money in the rearview mirror and regretting what you have or have not done with it? If so, you are breaking Law Number 2. Are you going into debt to send your kids to college? If so, you are breaking Law Number 3. Have you leased a car, bought a home with all your available cash, or been branded with a low credit score? If so, you are breaking Law Number 4. Do you think you will be more powerful when you have more money? If so, you are breaking Law Number 5. Once you put these 5 Laws of Money to work, your financial life will immediately start to improve. Valuable Guidebook Included With this essential guidebook, you will be able to put all five laws to work for you in your own life. After answering a few questions, you will be able to assess your financial situation, acquire a sure sense of what to do with your money or your debt, and take action to get out -- and stay out -- of financial trouble. Profound and practical, this book will jolt you out of any financial confusion or paralysis and forever alter your relationship with money.
