装帧:29,5 x 32 cm hardcover

isbn:9783899552058

Berlin is a particularly strong magnet for international street artists and its landscape is filled with artwork and signatures that are inventing new visual codes. But the impressions that these artists leave are inevitably fleeting as their art falls victim to the city's unrelenting development. Luckily, the book Urban Art Photography serves as a

permanent documentation and time capsule of both the creation and evolution of these constantly changing images.
