Those who were curious to trace the symmetries of chance or destiny felt now quite secure in observing that, of nine French kings of the name, every third Charles had been a madman. Over the exotic, nervous creature who had inherited so many delicacies of organisation, the coarse rage or rabies of the wolf, part, doubtless, of an inheritance older still, had asserted itself on that terrible night of Saint Bartholomew, at the mere sight, the scent, of blood, in the crime he had at least allowed others to commit; and it was not an unfriendly witness who recorded that, the fever once upon him.
