&#151;Lucy Danziger, Editor-in-Chief, Self magazine

"This is a wry and companionable guide to getting your finances in better sync with your values, and who wouldn't be enriched by that?"

&#151;Melinda Henneberger, Contributing Editor, Newsweek

"Money and Happiness takes cold, hard, financial information and warms it up through the voice of your best friend. You'll find out how to achieve your life dreams, and avoid money nightmares. The cost of this book may be the best investment you'll ever make."

&#151;Kevin McKinley, CFP®, author of Make Your Kid a Millionaire and host of public radio's On Your Money

"Laura Rowley helps demystify the age-old connection between money and happiness while providing lots of helpful hints on how to find the right balance of both in your life."

&#151;Terry Keenan, Anchor, Fox News Channel

"Let Laura Rowley guide you to a rational and rewarding life by helping you re-order your approach to your financial well-being. This book covers all the dimensions you need to know about how to plan properly for your reality. She teaches that you need not be loaded to be happy. And she shows you how to set, then achieve, your goals. For your sanity, Rowley is a welcome antidote to the wave of materialism washing over our culture."
