出版时间:1990-3-3

装帧:Paperback

isbn:9780345328168

/Stanley Karnow Karnow goes back 500 years to paint a fascinating portrait of Philippine history, ultimately focusing on the U.S.'s imperial experience in the islands. Here is the truth about America's attempt to remake the Philippines "in our image"--complete with American political, educational, and cultural institutions. "Authority and great insight."--Time. 16 pages of photographs.
