A Writer's Guide to Using 8 Methods of Transition is a short guide designed for all writers. The eight methods of transition help writers connect sentences and paragraphs to create a smooth flow of ideas in order to communicate clearly and effectively. Writers will find simple, concise explanations of each transitional method, as well as short examples to demonstrate how each method can be used effectively. This book is a companion text for A Writer's Guide to Transitional Words and Expressions. Both work well together for writers.
