

# Risk Assessment Methods

[Risk Assessment Methods\\_ 下载链接1](#)

著者:Covello, Vincent T./ Merkhofer, Miley W.

出版者:Kluwer Academic Pub

出版时间:1993-12

装帧:HRD

isbn:9780306443824

This volume fills the need for a comprehensive guidebook and reference for risk assessment techniques. Within a generalized conceptual framework, the authors clarify and integrate basic concepts; critique current methodologies; and teach the selection and application of a specific method and the interpretation of its results. The work makes these seemingly bewildering techniques accessible to readers from all disciplines.
