著者:Don DeLillo

出版者:Penguin Books

出版时间:1994-1-1

装帧:Paperback

isbn:9780140179170

The narrator of this novel is Bucky Wunderlick, a Dylan-Jagger amalgam who finds he's gone as far as he knows how. Mid tour he leaves his rock band and holes up in a dingy East Village apartment, in Great Jones Street. The plot revolves around his retreat and a drug designed to silence dissidents. --This text refers to an out of print or unavailable edition of this title.

评论

"We'll go somewhere we've never been. Time's runnin' out, we'll start again. What's round the bend I just can't say. Night turn to day. Let's get away. It's another day. "
