作者介绍:

Bernie Siegel, M.D. embraces a philosophy that is at the forefront of a society grappling with medical ethics and spiritual issues. His books, *Love, Medicine and Miracles* published in 1986, *Peace, Love and Healing* in 1989, and *How to Live Between Office Visits* in 1993, have broken new ground in the field of healing. Over the span of twenty

years, physicians have become increasingly more receptive to his message. Bernie's efforts have now turned toward humanizing medical care and medical education, and he continues to travel extensively with his wife Bobbie, to speak and run workshops, sharing his techniques and experiences. Bernie and Bobbie have five children and six grandchildren (so far).
