Featured on the NBC Prime Time Special Angels: The Mysterious Messengers, viewed by 35 million people. Messengers of divine providence, angels are always available to help you create heaven in your life. There are angels for every occasion, including personal angels such as guardians, spiritual guides, cheerleaders, and soul angels; angels of the moment, such as healers and rescuers; and angels who embellish human life, such as worry extinguishers, fun executives, and prosperity brokers. Terry Taylor shows you how to spot angels, how to get in touch with them, how to utilize their help, and, most important, how to love life the way they do. Angels can lift your spirits make you happy without reason, enhance your creativity bring more love and joy into your life, add fun and play to your life, relieve stress and enhance youthfulness.
