著者:Randolph Quirk

出版者:Northern Illinois University Press

出版时间:1994-04

装帧:Paperback

isbn:9780875805603

Once again available in paperback, Quirk and Wrenn's "Old English Grammar" is a convenient reference tool to complement readings in Old English. Appropriate for basic or advanced study of Old English language and literature, this brief modern grammar covers orthography, pronunciation, inflection, syntax, word formation, and phonology. The authors provide a clear overview of Late West Saxon, with notes that open up the complexities of the language for those who wish to pursue them. The supplemental bibliography added to this edition by Susan Deskis reflects the most relevant recent contributions to the study of Old English.
