An essential tool for writers, poets, punsters, lyricists, wits, and language lovers everywhere! THE NEW COMPREHENSIVE AMERICAN RHYMING DICTIONARY is, by far, the sassiest, most fun, complete and up-to-date book of its kind on the market. This remarkable compendium contains over 65,000 words, phrases, and colloquialisms--a gold mine of rhyme certain to aid and delight everyone who works with language, from the amateur poet to the professional wordsmith. Why rhyme "moon" with "June"...when you can use "Brigadoon", "Daniel Boone", or "picayune" instead? A cornucopia of rhymes for exasperating, difficult-to-match words...such as "system", "hemophilia", and "Khrushchev". Easy-to-use and read, with entries arranged by sound rather than spelling. Authoritative and up-to-the-minute...including the latest in slang, idioms and buzz words. Whether you're a composer searching for the perfect song lyric or a wit who revels in constructing limericks, here is your key to a bold new world of creative cleverness--an ideal reference book for the Cole Porter in all of us!
