出版时间: 1994-3-1

装帧: Paperback

isbn: 9780781802437

This timely dictionary includes fundamental military terms and techniques, contemporary political and technological jargon, as well as words in allied subjects such as economics, law, statistics, and sociology. In giving the equivalent Arabic terms reference has been accorded to those terms agreed upon by the Arabic Academic Centers in Cairo, Amman, Damascus, Baghdad and Rabat, and to widely accepted terms that have been coined by contemporary specialists and linguists.
