Ideologies of the Raj examines how the British sought to justify their rule over India. The author argues that two divergent strategies were devised to legitimate their authority: the one defined characteristics which the Indians shared with the British themselves, while the other emphasised qualities of enduring 'difference'. In the end, however, the differences predominated in the colonial view of India. Since the British constructed few explicit ideologies of empire, the author explores the workings of the Raj through the study of its underlying assumptions as revealed in policies and writings. Students of modern India and the British Empire will find Thomas Metcalf's book relevant and accessible.

帝國主義殖民的正當性論述/殖民者帶來的英式法制系統在建構一個全新的公共領域的同時將爲所有印度人民帶來法制和正義/英帝國本身的擴張不是爲了王權的鞏固而是爲了將改革的"春風"帶到次大陸，等等，這個論述怎麼這麼耳熟呢?
