著者:Ganssle, Catherine L.

出版者:Thomson Learning

出版时间:1994-12

装帧:Pap

isbn:9780827355323

Focusing exclusively on management, this new book describes the oral health care delivery system and the interrelated roles of dental hygienists and dental assistants. The unique focus on the management side of dental hygiene provides students with knowledge and skills vital to professional growth. Terminology and principles give

readers a comprehensive, basic foundation. Contributing writers introduce realistic examples and experiences, as well as the skills needed to address the health care delivery issues.
