出版者:Gale Group

出版时间:1995-3

装帧:HRD

isbn:9780805782196

This groundbreaking series examines the life and work of a bestselling young adult novelist, helping both teachers and readers of young adult literature to understand many of their favorite authors. Each title in this unique series provides: -- A succinct, readable summary of the life and art of a leading young adult author-- Extensive interviews with the authors themselves, giving young readers the means to get to know their favorite authors as real people-- Jargon-free literary analysis of the author's work with attention to plot, theme, character, setting and imagery-- A chronology, notes and references, selected bibliography, list of awards, photos, index and more-- Insights and background material helpful for teaching mid-grade and young adult novels
