Are you a co-dependent Cinderella who loves a man who hates women too much? A Peter Pan in denial about his inability to make a commitment? If so, it's time to stop analyzing your relationship. Here is a fresh, new approach which goes beyond analyzing relationships to changing them, even if one partner isn't interested. Using a solution-oriented approach, humour, stories and good common sense, Bill O'Hanlon and Pat Hudson, both experienced marriage counsellors, show readers how to break free of old patterns, improve their sex life, increase feelings of love and closeness and get over past hurts. Lively, upbeat and positive, "Love is a Verb" shows readers how to change today's dreams of more romance and happiness into tomorrow's reality.
